

SPOONER HAND THERAPY DIAPER DRIVE

DID YOU KNOW?...

- ❖ In low-income homes, babies often spend a whole day in a single diaper.
- ❖ Babies often spend 2½ years in diapers. They need almost 12,000 changes, costing more than \$4,000.
- ❖ State programs don't cover diapers

Spooner Hand Therapy is hosting a diaper drive from **July 19th** to **September 3rd**. Please drop off diapers at any of the Hand clinic locations. All diapers will be donated to low-income families throughout the valley.

****Please only unopened packages.**
